

# Welcome Message to Students

## Welcome to the 2020-2021 Academic Year

Dear Students,

Welcome to the 2020-2021 academic year!

Given the interesting times, Shivpuri Institute of Technology RGPV facilities will look different. We will work together to maintain health and safety standards, while sustaining the academic excellence and personalized attention that is synonymous with a SIT and RGPV education environment.

All SIT RGPV campus will run online courses for the even semester 2020-21. All newly admitted students have to take all of their courses remotely. Your dedication will allow this online approach to provide an optimal environment for learning.

These plans, of course, are subject to change based on new information or guidance from the state of MP and UGC.

## Academic and Campus Life

The 2020-2021 theme is “Go All the Way in Pandemic.” I encourage you to think about how you will move forward every day towards earning your degree and reach the graduation stage.

As you start a new academic year, take advantage of the many services available to help you achieve your full potential –online and offline. The SIT offers programs to keep you on the road to graduation and professional success, such as tutoring and workshops on improving time management, note-taking and test preparation. Through the Online RGPV Library, gain access to online academic resources and offline in SIT. SIT and RGPV Career Services are gateways to online job preparation and virtual internships. Student Development and Campus Life (SDCL) at SIT invites you to Be Engaged! through clubs and volunteerism. SDCL also offers personal counseling and other wellness resources, which are more important than ever.

As always, all student services will be available both on site and online during this semester. Check the SIT and RGPV portal for more information.

Your success is central to our mission at SIT RGPV. Any time you have questions or feel unsure how to proceed in your academic journey, please reach out to us immediately.

SIT RGPV is here to support you every step of the way in your journey to the graduation stage.

We are looking forward to everyone having a great and healthy year!

Sincerely,

*Dr. Rakesh Singhai*
